Adventures in the Afterlife By William Buhlman

Adventures in the Afterlife is a powerful journey of spiritual awakening; a bold quest for answers and enlightenment. The old assumptions of heaven are confronted and an expansive new vision of our continuing life is presented. After being diagnosed with cancer, William Buhlman, author of Adventures Beyond the Body, pursued answers to the mysteries of our existence after death. Confronting his mortality, he experienced profound insights into what lies beyond our physical body. Our journey into the next life is the basis for Adventures in the Afterlife. The author chronicles his out-of-body experiences and lucid dreams through the eyes of a fictional character, Frank Brooks. The insights are sometimes surprising, but a clear message is always apparent; we are powerful, spiritual beings and we shape our reality now and in the future. The purpose of this book is to prepare us for the many thought responsive environments we will experience. William Buhlman teaches and lectures worldwide on the subjects of out-of-body experiences and spiritual empowerment. Visit the author at astralinfo.org.

Editorial Review

About the Author
William Buhlman is a recognized expert on the subject of out-of-body experiences. The author's forty years of extensive personal out-of-body explorations give him a unique and thought provoking insight into this subject. His first book, Adventures beyond the Body chronicles his personal journey of self-discovery through out-of-body travel, and provides the reader with the preparation and techniques that can be used for their own adventure. He has conducted an international out-of-body experience survey that includes over 16,000 participants from forty-two countries. The provocative results of this survey are presented in his book, The Secret of the Soul. This cutting edge book explores the unique opportunities for personal growth and profound spiritual awakenings that are reported during out-of-body experiences. Over the past two decades William has developed an effective system to experience safe, self initiated out-of-body adventures. He conducts an in-depth six-day workshop titled, Out-of-Body Exploration Intensive at the renowned Monroe Institute in Virginia. As a certified hypnotherapist, William incorporates various methods, including hypnosis, visualization and meditation techniques in his workshops to explore the profound nature of out-of-body experiences and the benefits of accelerated personal development. Through lectures, workshops and his books the author teaches the preparation and techniques of astral projection and spiritual exploration. The author brings a refreshing look to how we can use out-of-body experiences to explore our spiritual identity and enhance our intellectual and physical lives. William is best known for his ability to teach people how to have profound spiritual adventures through the use of out-of-body experiences. In addition, he has developed an extensive series of audio programs that are designed to expand awareness and assist in the exploration of consciousness. William has appeared on numerous television and radio shows worldwide. William’s books are currently available in twelve languages. The author lives in Delaware, USA.
