Dave Pelz's Short Game Bible: Master the Finesse Swing and Lower Your Score (Dave Pelz Scoring Game Series) By Dave Pelz

Dave Pelz's Short Game Bible is the first book in a four-book series, The Dave Pelz Scoring Game Series. The next volume in the series will be **Dave Pelz's Putting Bible**.

"He who rules the short game collects the gold."
--Dave Pelz's Golden Rule of Golf

Fed up with trying to imitate the pros, buying the latest expensive equipment, and seeing your handicap stay the same? The first book by bestselling author and internationally revered golf instructor Dave Pelz since **Putt Like the Pros**, his bestselling classic, **Dave Pelz's Short Game Bible** can show you the way to lower scores by improving your short game. The result of decades of scientific research studying thousands of golfers, Dave's philosophy is as simple as it is revolutionary and groundbreaking: Instead of practicing the wrong things the right way, or the right things the wrong way, Pelz shows you how to find your own personal weaknesses and how to improve them to efficiently lower your scores. Packed with all the knowledge, charts, and photos needed to learn from the master, **Dave Pelz's Short Game Bible** is the essential book for every golfer who's looking to improve his or her game.

Dave's approach to golf is easy to understand: 80 percent of the strokes golfers lose to par are determined by their play within 100 yards of the green--the crucial scoring game. The most important and yet the least focused-on aspect of golf, your short game, can indeed make or break your entire game. And nobody teaches the short game like Dave Pelz. His renowned golf schools and clinics focus exclusively on putting and the short game, attracting top players like Tom Kite, Colin Montgomerie, two-time U.S. Open champion Lee Janzen, reigning PGA champion Vijay Singh, Steve Elkington, Payne Stewart, Peter Jacobsen, and many LPGA players including Annika Sorenstam and Liselotte Neumann. The pros know, as you are about to learn, that while others teach golfers how to swing, Dave Pelz teaches golfers how to score . . . and win.

A former physicist for NASA, Dave brings a scientific rigor to his research and instruction that has made him the top short-game expert in the world. Dave has observed and then taught thousands of golfers to improve their ability to score better. The years he has spent studying the short game, including chipping, lobs, pitches, distance wedges, and bunker play, have resulted in an unequaled expertise and a fascinating body of knowledge on golf, with the statistics and data to back it up. In this new book, Dave for the first time shares the understanding and techniques he has taught the pros, including a wide array of innovative tests and exercises for mastering those deceptive and high-pressure shots of the short game.

Dave Pelz's Short Game Bible is an essential book for golfers of all levels. Covering everything golfers need to know to improve their short game, Dave's system can--and will--help you to consistently shoot lower scores.

Editorial Review

Amazon.com Review
As the reigning rabbi on the mysteries of golf from 100 yards in, Pelz has earned the right to anoint his expansive instruction on the short game a "Bible." A scientist by training, he's analyzed the macros and dissected the micros to come up with a gospel for pros (Lee Janzen, Vijay Singh, and Anika Sorenstam, to name a few disciples) and weekend hackers alike. Pelz fills his scripture with photos, illustrations, charts, and plenty of sage advice on pitching, chipping, sandplay, putting, equipment, execution, mechanics, technique, practice, attitude, lots of questions, and plenty of answers. Much of the *Short Game Bible* is pretty sophisticated stuff aimed toward better players--or, at least, players who take their golf seriously. But its basics are appropriate to any skill level of the game: Accurately assess your own weaknesses, and then go about improving them *systematically* with the author's carefully researched and tested plan. It seems so obvious, but the truth is, most golfers either beat balls on the range in search of distance or slave over eight-foot putts on the practice green; they fail to pay enough attention to the shots in between. Pelz does the math for you here; his figures add up, so that yours can go down--the golfing equivalent of forgiving sins and absolving trespasses. --*Jeff Silverman*

From Library Journal
Ah, the short game, many a golfer's worst nightmare. It is certainly one of the most difficult aspects of golf, prompting author Pelz to state simply, "He who rules the short game collects the gold." Pelz, a former NASA physicist and the founder of the Pelz Golf Institute, has devoted the last two decades to the physics of golf. He is a consultant to the Professional Golfers Association and contributes regularly to golf periodicals. Pelz and coauthor Frank, editor of Golf Magazine, have collaborated on a useful publication that will assist players of all ages and abilities. According to Pelz, 80 percent of a golfer's handicap is determined by what happens within 100 yards of the green. Complete with numerous photos, drawings, and graphs, plus a list of resources that includes web sites and FAX and phone numbers, this is recommended for all public libraries.ALarry R. Review
Praise for Dave Pelz and the Scoring Game System:

"Do I believe in Dave Pelz? I paid full price to go to his school, and it was the best money I've ever spent. I learned more about my short game and putting in three days than in all my previous years and lessons combined. I know for sure I could not have won my second U.S. Open without the help of Dave Pelz. He has sure improved my scoring game! I'm looking forward to working with him often in the years to come. I AM a believer."
--Lee Janzen

"Dave Pelz has added more irrefutable knowledge to golf instruction than any man alive. This new book is indeed the bible of the short game."
--George Peper, editor-in-chief, **Golf** Magazine

"In one day's work with Pelz, I learned more about putting than I had known my entire life. . . . None of us out here practiced our short games enough, but those of us who have paid attention to Pelz know it's the way to lower scores."

--Curtis Strange

"Dave Pelz is the most confident person, let alone coach, I've ever been around. His science-based knowledge is the best I've ever seen. I couldn't have won my sixth European Order of Merit without his help. His short-game system is improving my game, and has me the most excited I've ever been about my own ability to score."
--Colin Montgomerie

"Dave Pelz is the best. It's pure and simple. If you want to play your best, you work with the best . . . that's Pelz."
--Steve Elkington
