Dawnclaw Alphas: The Complete Series By Athena Wright

Introducing Dawnclaw Alphas, a steamy paranormal romance series.

Here's just a taste of what you'll be getting:

Avery

A slow pulse of arousal throbbed between my legs.

It had to be the adrenaline.

This shifter carried a gun, had killed his way through my clan, was probably going to kill me.

It was crazy. I had no idea why I was reacting this way.

All I knew was, ***I wanted him.***

Elena

All my life I've heard shifters are savage. Primal. They're ruled by their instincts and take what they want.

Logan is no different.

He says I belong to him. He says he'll have me whether I want it or not.

There’s only one problem.

I’ve just been mated to Logan’s twin brother. And he’s not giving me up without a fight.

Isabelle

I never wanted any of this.

I was skeptical of the paranormal. Frightened of shifters. Worried about their impending war with humans.

Then I walked in on Rhys, sliced open with knife wounds and covered in blood.

He growled at me. He told me to get out. I obeyed his command. I ran.

Now because of him, there’s an ache in my chest. There’s an ache between my legs. Our hearts are telling us to be together. Our minds are telling us to stay away.

Neither of us wanted this.

Neither of us has a choice.

Shifters mate for life.

The Dawnclaw Alphas Series is packed full of dark passion, thrilling suspense, heartbreaking angst, and scorching hot romance.
