Day Trading and Swing Trading the Currency Market: Technical and Fundamental Strategies to Profit from Market Moves (Wiley Trading) By Kathy Lien

Play the forex markets to win with this invaluable guide to strategy and analysis

Day Trading and Swing Trading the Currency Market gives forex traders the strategies and skills they need to approach this highly competitive arena on an equal footing with major institutions. Now in it's third edition, this invaluable guide provides the latest statistics, data, and analysis of recent events, giving you the most up-to-date picture of the state of the fast-moving foreign exchange markets. You'll learn how the interbank currency markets work, and how to borrow strategy from the biggest players to profit from trends. Clear and comprehensive, this book describes the technical and fundamental strategies that allow individual traders to compete with bank traders, and gives you comprehensive explanations of strategies involving intermarket relationships, interest rate differentials, option volatilities, news events, and more. The companion website gives you access to video seminars on how to be a better trader, providing another leg up in this competitive market.

The multi-billion-dollar foreign exchange market is the most actively traded market in the world. With online trading platforms now offering retail traders direct access to the interbank foreign exchange market, there's never been a better time for individuals to learn the ropes of this somewhat secretive area. This book is your complete guide to forex trading, equipping you to play with the big guys and win—on your own terms.

- Understand how the foreign currency markets work, and the forces that move them
- Analyze the market to profit from short-term swings using time-tested strategies
- Learn a variety of technical trades for navigating overbought or oversold markets

- Examine the unique characteristics of various currency pairs

Many of the world's most successful traders have made the bulk of their winnings in the currency market, and now it's your turn. *Day Trading and Swing Trading the Currency Market* is the must-have guide for all foreign exchange traders.
