(Dis)content (Judgement of the Six) (Volume 5) By Melissa Haag

I hate. I thought I hated before the letter, before the werewolves, but now I understand that was nothing more than a chip on my shoulder. The urbat took what was mine. And, they will pay. Isabelle leads a very normal life...for an emotional syphon. If not for Ethan and his bar, she would have lost her sanity long ago. But everything changes with the crash of her fighting cage and a man who transforms into a wolf. There’s something about Carlos—when he’s not growling at her—that makes her do things she wouldn’t normally do, like sigh and daydream. Attraction aside, she is faced the very real evidence that werewolves and urbat exist, and the urbat are after her. And the only way she can keep Ethan safe is to join with the werewolves and Carlos. It’s a race against time to stop a war, fight for love, and find the last Judgement.
