Love Lessons By Heidi Cullinan

Love doesn't come with a syllabus.

Love Lessons, Book 1

Kelly Davidson has waited what seems like forever to graduate high school and get out of his small-minded, small town. But when he arrives at Hope University, he quickly realizes finding his Prince Charming isn't so easy. Everyone here is already out. In fact, Kelly could be the only virgin on campus.

Worst of all, he's landed the charming, handsome, gay campus Casanova as a roommate, whose bed might as well be equipped with a revolving door.

Walter Lucas doesn't believe in storybook love. Everyone is better off having as much fun as possible with as many people as possible…except his shy, sad little sack of a roommate is seriously screwing up his world view.

As Walter sets out to lure Kelly out of his shell, staying just friends is harder than he anticipated. He discovers love is a crash course in determination. To make the grade, he'll have to finally show up for class…and overcome his own private fear that love was never meant to last.

Warning: This story contains lingering glances, milder than usual sexual content for this author, and a steamy dance-floor kiss. Story has no dairy or egg content, but may contain almonds.

Editorial Review

Users Review

From reader reviews:

Cameron Keller:

Reading a e-book tends to be new life style with this era globalization. With reading you can get a lot of information that could give you benefit in your life. Using book everyone in this world can share their idea. Publications can also inspire a lot of people. Many author can inspire their own reader with their story or even their experience. Not only the story that share in the textbooks. But also they write about the ability about something that you need case in point. How to get the good score toefl, or how to teach your children, there are many kinds of book that exist now. The authors in this world always try to improve their expertise in writing, they also doing some study before they write to the book. One of them is this Love Lessons.

Shirley Hinkle:

This Love Lessons is completely new way for you who has attention to look for some information mainly because it relief your hunger of knowledge. Getting deeper you into it getting knowledge more you know otherwise you who still having little bit of digest in reading this Love Lessons can be the light food for you because the information inside this kind of book is easy to get through anyone. These books develop itself in the form that is reachable by anyone, yes I mean in the e-book type. People who think that in guide form make them feel drowsy even dizzy this guide is the answer. So you cannot find any in reading a book especially this one. You can find what you are looking for. It should be here for a person. So , don't miss the item! Just read this e-book style for your better life along with knowledge.

Dale Eich:

Don't be worry when you are afraid that this book will certainly filled the space in your house, you might have it in e-book means, more simple and reachable. That Love Lessons can give you a lot of close friends because by you looking at this one book you have issue that they don't and make a person more like an interesting person. This particular book can be one of a step for you to get success. This book offer you information that possibly your friend doesn't realize, by knowing more than various other make you to be great persons. So , why hesitate? We need to have Love Lessons.

James Harris:

Do you like reading a publication? Confuse to looking for your preferred book? Or your book seemed to be rare? Why so many concern for the book? But any people feel that they enjoy intended for reading. Some people likes examining, not only science book and also novel and Love Lessons or maybe others sources were given understanding for you. After you know how the fantastic a book, you feel would like to read

more and more. Science book was created for teacher or maybe students especially. Those textbooks are helping them to bring their knowledge. In various other case, beside science guide, any other book likes Love Lessons to make your spare time much more colorful. Many types of book like here.
