## Editorial Review

Review
Raises many questions which should engage and challenge anyone concerned with the environment. (M. Eleanor Irwin *Humanities*)

...a helpful introductory discussion of Greek philosophy aned environmentalism... the conclusions are both interesting and useful for those who teach environmental ethics courses or any philosophy course that seeks to apply the ancients to contemporary issues. Their assiduous attention produces a remarkably compelling, if complex, argument for the relevance of Greek philosophy to contemporary ethical concerns. (Robert L. Grant *Religious Studies Review*)

. . . concise and absorbing . . . (Eric LaFerrière *Environmental Politics*)

[Westra and Robinson] provide a an excellent analysis of the views of nature and ecology in the works of the ancient Greek philosophers, and they succeed in their purpose of showing these writings to modern enviornmentalism. (William Stiebing, Jr.)

About the Author
Laura Westra is professor emerita of philosophy at the University of Windsor and the author or editor of numerous books, including An Environmental Proposal for Ethics (Rowman & Littlefield, 1994), Faces of Environmental Racism (Rowman & Littlefield, 1995), Perspectives on Ecological Integrity (Kluwer), The Greeks and the Environment (Rowman & Littlefield, 1997) and Technology and Values (Rowman & Littlefield, 1998). Bill Lawson is professor of philosophy at Michigan State University. Thomas M. Robinson is professor of philosophy at the University of Toronto and the author of Plato's Psychology and The Greek Legacy.

## Users Review

**From reader reviews:**

**Corey Ison:**

Do you have favorite book? In case you have, what is your favorite's book? Reserve is very important thing for us to understand everything in the world. Each e-book has different aim or goal; it means that book has different type. Some people experience enjoy to spend their time for you to read a book. They are really reading whatever they get because their hobby will be reading a book. What about the person who don't like reading through a book? Sometime, person feel need book once they found difficult problem or exercise. Well, probably you will want this The Greeks and the Environment.
