Editorial Review

Review
"In the lineage of Joseph Campbell, Bolen weaves a powerful and vivid connection between ancient myth and our post-modern world. With her unique voice as a psychiatrist and her work inspired by her work in Jungian psychology, she gives us many models of perseverance in an age fought with challenges, especially for women and girls. Within these pages you'll find many images and stories that will lead you to the power of your own imagination." ?**Justine Willis Toms**, Co-founder, host 'New Dimensions Radio', author of *Small Pleasures: Finding Grace in a Chaotic World*

"Whether or not women know it, Artemis is the archetype or goddess who can inspire us to be activists in the world. In *Artemis: The Indomitable Spirit in Everywoman*, Jean Shinoda Bolen provides ancient and modern ways to be our authentic, courageous, and passionate selves. Jean herself is an Artemis." --**Gloria Steinem**

"Once again Jean Shinoda Bolen inspires us with her magical ability to connect our daily behaviors and realities with archetypal stories and patterns. Like *Goddess in Every Woman*, I couldn't stop reading *Artemis*. It left me with a much deeper understanding of what women face around the world, as well as food for thought to reflect upon the daily realities of female empowerment. I couldn't recommend it more." -**Zainab Salbi**, founder of Women for Women International

"*Artemis* is emerging in the popular culture as a new source of strength, power and integrity. She is the protector of life, the activist who never gives up, the idealistic heroine who cannot be subdued. In this beautiful, inspiring book, Bolen shows how a woman can draw upon her courage and her passion to change the world." ?**Isabel Allende**, author of *House of the Spirits* and most recently, *Ripper*
