Editorial Review

Review
"If dating and relationships were a city, the Friend Zone would be the neighborhood everyone would want to avoid. It's the vast wasteland where two people get along, and one person sees potential for something more - but the other sees nothing more than a buddy. Contrary to popular belief, it's a place you can move away from - and in their new book... Jet and Star (a k a the Wing Girls) teach men and women exactly how to do so."
-Jozen Cummings, New York Post
