Editorial Review

Review
"Looking past trends and decor for show, Sage Living goes deeper to explore how our homes help us connect, entertain, create, celebrate and grow with our friends and family." --Nathan Williams, Editor-in-Chief of Kinfolk magazine

"What I love about this book is how it breaks down the relationship between our home and our happiness. It's no secret that our home makes us happy, and in turn our happiness makes our home, and this book points out the connection in a way that is relatable and doable. Plus, it's a reminder that perfection is totally boring -- the most interesting homes are 'flawed' yet completely compelling and inviting."--Emily Henderson, stylist, TV personality, and blogger
