Snuff: Real Death and Screen Media From Bloomsbury Academic

The phenomenon of so-called 'snuff movies' (films that allegedly document real acts of murder, specifically designed to 'entertain' and sexually arouse the spectator) represents a fascinating socio-cultural paradox. At once unproven, yet accepted by many, as emblematic of the very worst extremes of pornography and horror, moral detractors have argued that the mere idea of snuff constitutes the logical (and terminal) extension of generic forms that are dependent primarily upon the excitement, stimulation and, ultimately, corruption of the senses. *Snuff: Real Death and Screen Media* brings together scholars from film and media studies to assess the longevity of one of screen media's most enduring cultural myths. Thorough, provocative, and well argued, the contributions to this volume address areas ranging from exploitation movies, the video industry, trends in contemporary horror cinema, pornography and Web 2.0.

Editorial Review

Users Review

From reader reviews:

Catherine Scott:

As people who live in the particular modest era should be up-date about what going on or information even knowledge to make all of them keep up with the era and that is always change and progress. Some of you maybe can update themselves by examining books. It is a good choice to suit your needs but the problems coming to anyone is you don't know what type you should start with. This Snuff: Real Death and Screen Media is our recommendation so you keep up with the world. Why, because book serves what you want and need in this era.

Doreen Williams:

Your reading sixth sense will not betray you, why because this Snuff: Real Death and Screen Media reserve written by well-known writer who knows well how to make book that could be understand by anyone who also read the book. Written throughout good manner for you, still dripping wet every ideas and publishing skill only for eliminate your personal hunger then you still hesitation Snuff: Real Death and Screen Media as good book but not only by the cover but also from the content. This is one book that can break don't assess book by its cover, so do you still needing another sixth sense to pick this particular!? Oh come on your studying sixth sense already said so why you have to listening to one more sixth sense.

Ettie Hardcastle:

Reading a book for being new life style in this 12 months; every people loves to go through a book. When you study a book you can get a lot of benefit. When you read ebooks, you can improve your knowledge, due to the fact book has a lot of information onto it. The information that you will get depend on what kinds of book that you have read. If you need to get information about your analysis, you can read education books, but if you act like you want to entertain yourself read a fiction books, this sort of us novel, comics, and soon. The Snuff: Real Death and Screen Media offer you a new experience in reading a book.

Duane Harden:

Many people spending their period by playing outside with friends, fun activity using family or just watching TV all day long. You can have new activity to enjoy your whole day by reading a book. Ugh, do you consider reading a book can really hard because you have to use the book everywhere? It alright you can have the e-book, taking everywhere you want in your Smart phone. Like Snuff: Real Death and Screen Media which is getting the e-book version. So , try out this book? Let's notice.
