Space Invaders (Spanish Edition) By Nona Fernández Silanes

Nona Fernández Silanes se refiere a los sueños de una generación convertidos en pesadilla que todavía hoy supuran en sus noches. Con una belleza conmovedora, Space Invaders atraviesa la amistad, la traición y la dictadura de Pinochet.
Diego Erlan, Revista Ñ.

A diferencia de cierta “literatura de hijos” que toma el punto de vista de los niños, Space Invaders no presenta a los infantes como almas ingenuas, interrumpidas por los avatares históricos. Por el contrario, señala sus acciones y participaciones políticas, ahondando en el complejo entramado de elaboración de la memoria colectiva.
Damián Huergo, Página 12

Space Invaders confirma la consistencia literaria alcanzada por Nona Fernández, quien escenifica con excelencia una estética de la memoria intervenida por una violencia que una vez inscrita en los cuerpos no los abandonará jamás.
Patricia Espinoza, Las Últimas Noticias.
