The Milagro Beanfield War: A Novel By John Nichols

Joe Mondragon, a feisty hustler with a talent for trouble, slammed his battered pickup to a stop, tugged on his gumboots, and marched into the arid patch of ground. Carefully (and also illegally), he tapped into the main irrigation channel. And so began-though few knew it at the time-the Milagro beanfield war. But like everything else in the dirt-poor town of Milagro, it would be a patchwork war, fought more by tactical retreats than by battlefield victories. Gradually, the small farmers and sheepmen begin to rally to Joe's beanfield as the symbol of their lost rights and their lost lands. And downstate in the capital, the Anglo water barons and power brokers huddle in urgent conference, intent on destroying that symbol before it destroys their multimillion-dollar land-development schemes. The tale of Milagro's rising is wildly comic and lovingly tender, a vivid portrayal of a town that, half-stumbling and partly prodded, gropes its way toward its own stubborn salvation. The Milagro Beanfield War is the first book in John Nichols' New Mexico Trilogy.

Editorial Review

Review
“Gentle, funny, transcent.” ?*The New York Times Book Review*

From the Inside Flap
Joe Mondragon, thirty-six, is a feisty hustler with a talent for trouble, who slammed his battered pickup to a stop one day, tugged on his gumboots, and marched into an arid patch of ground. Then, illegally, he tapped into the main irrigation channel. And so began John Nichols' classic tale of the little guy against the big guy -- THE MILAGRO BEANFIELD WAR.

From the Back Cover
Joe Mondragon, thirty-six with not much to show for it, a feisty hustler with a talent for trouble, slammed his battered pickup to a stop, tugged on his gumboots, and marched into the arid patch of ground. Carefully, if impulsively (and also illegally), he tapped into the main irrigation channel.

And so began -- though few knew it at the time -- the Milagro beanfield war. But like everything else in the dirt-poor town of Milagro, it would be a patchwork war, fought more by tactical retreats than by battlefield victories. Gradually, ever so awkwardly, the small farmers and sheepmen begin to rally to Joe's beanfield as the symbol of their lost rights and their lost lands. The tale of Milagro's rising is wildly comic and lovingly tender, a vivid portrayal of a town that, half-stumbling and partly prodded, groped its way toward its own stubborn salvation.

Users Review

From reader reviews:

Louis Watson:

Do you certainly one of people who can't read satisfying if the sentence chained in the straightway, hold on guys that aren't like that. This The Milagro Beanfield War: A Novel book is readable by you who hate the perfect word style.
