The Mind Control Manual of Dantalion Jones: What I Would Teach If I Had My Own Cult Following By Dantalion Jones

Do you think there are any special skills to being happy? What would you teach if you had your own followers? Within this book you'll get the answers to those two questions via a simple set of exercises and meditations. You see, it's not like you're being asked to start a cult any time soon. It's just that there are some very useful tools that anyone can use to gain a noticeable amount of happiness. The truth is that if EVERYBODY used these mental tools people would be happier, more good things would get done and the world would be a nicer place. But that is perhaps asking too much. What you get in this little manual are exercises and "meditations" the author has used to feel better about life and gain more control over every aspect of life. In other words, these are useful exercises that you can use every day and feel better as a result. No one is telling you to go out and start your cult, but if you were to, these would be great, positive exercises and teachings that would make people look at you with awe and wonder. Teach people these exercises and you're bound to find a few smart people who see you as wiser than King Solomon. Inside The Mind Control Manual you get: * The four things you'll need to value to be forever happy. * You'll learn why most people aren't happy. (The answer is "It's hard work") * You'll learn how to wake up looking forward to the day. * You'll learn why most people hate themselves and how to over come it. * You'll learn how to communicate with a "future you" who has accomplished it all so that you can get good advise. * You'll learn how to change past events so they will never drag you down... no matter how terrible they may have been. * You'll learn how to focus your thoughts so that you are filled with energy instead of having to battle anger and frustration. * ... and more. No, you don't have to start a cult, but if you did you could start here. These are nice, kind exercises in mind control that you should use on yourself and teach to as many people as possible.
