FINANCIAL BASICS: MONEY-MANAGEMENT GUIDE FOR STUDENTS By SUSAN KNOX

Jason is typical of today's college students, who are assuming unprecedented debt burdens because of relaxed limits on student loans and easily obtained credit cards. Many on college campuses are calling it a fiscal crisis. Financial Basics tackles the gaps in the personal financial knowledge of college students. Beginning with debit-credit card issues, student loan decisions, and the challenge of managing and reducing debt, Knox walks readers through money management. She skillfully addresses the how to's of checking accounts, spending plans, emergency funds, and credit histories. She discusses financial personalities and the emotions of money, as well as practical record-keeping and simple filing techniques. In Financial Basics, Knox blends her extensive money-management experience with her desire to inform and help students master their finances: she shares experiences about money lessons learned in college, and offers sound solutions and advice for students and their families. Since everyone does not handle money in the same way, Knox gives money-management options for readers to find their best way. The book includes helpful worksheets and is written in an easy-to-read style, using testimonials and examples that will ring true to students.

Editorial Review

Review
"Students have a great deal to manage in their lives away from home--from their coursework to relationships to personal decisions, one of which is how to manage their finances. This book provides credible examples to head off problems and engages both students and their families in pre-emptive planning not only for college but also for life. A must for parents and students."

Users Review

From reader reviews:

Anthony Laflamme:

What do you concerning book? It is not important along with you? Or just adding material when you really need something to explain what you problem? How about your extra time? Or are you busy person? If you don't have spare time to do others business, it is make you feel bored faster. And you have spare time? What did you do? Everybody has many questions above. They have to answer that question due to the fact just their can do this. It said that about guide. Book is familiar in each person. Yes, it is correct. Because start from on jardín de infancia until university need this particular FINANCIAL BASICS: MONEY-MANAGEMENT GUIDE FOR STUDENTS to read.
