Janie Anderson, a year after losing her husband, her high school sweetheart and the love of her life to cancer, embarks on a once-in-a-lifetime vacation to New York City. Trying to escape the oppressive loss and hopelessness of a life without him, Janie sets off on the adventure she has dreamed about since she was a little girl. Exploring the Big Apple, New York City, she secretly hopes that this landmark event will free her from her grief and unlock a future as wonderful as the life she had lost with Robert's passing.
After a series of embarrassing encounters with a wealthy man in a dark grey suit during the flight, Janie wonders if this trip might be more than she bargained for. At 42, she is much too young to spend the rest of her days as a lonely widow, but is resolved to the fact that, like lightning, a love like that of her first marriage rarely strikes twice and doesn't believe in second chances.
When she accepts his invitation to dinner that evening, Janie is terrified at the realization that she's actually attracted to him. The handsome and wealthy Matt Lathem is sexy as hell, but, as Janie comes to realize, he has baggage of his own. Can they help to heal each other in time to realize that a second chance at love is within their grasp? Or will this romance of lust be a fling that ends with a broken heart when this once in a lifetime vacation comes to an end.
Join Janie as she risks her heart for a chance to love again. This is not just another adult romance with sex, but a journey of second chance love. Download your copy now!
