"…Smartly written, compassionate, sexy, steamy, emotional, and unforgettable!"
"Luke: Complete Series was the best book I have read since 50 Shades exploded on the scene."

Luke Maxwell is the searing hot billionaire CEO of Maxwell Computers. Brina Kingston is the corporate spy sent to steal his latest invention.

Brina successfully works her way into a position in Luke's office…and his bed. But when she begins falling for her mark, Brina realizes she's not only risking the most important assignment of her career. She's also risking her family's security.

She can't allow that. She won't allow that. But can she really resist the charms of the hottest tech billionaire in America? Or will her feelings for Luke be her ultimate downfall?

Editorial Review

Review
It's really a tragic story and I'm amazed at how well Leo captures the story in such short novellas...I mean, really amazed - the woman has mad skills.
-**Scandalicious Book Reviews**

The ending was simply amazing and will warm your heart and leave you smiling. The story flowed very nicely and it is one of the books you can't put down. You will find yourself rooting for Brina and Luke to work and find the happiness with each other that they deserved.
