MERMEN (The Mermen Trilogy Book 1) By Mimi Jean Pamfiloff

~~~~~~~From *New York Times* Bestseller, Mimi Jean Pamfiloff ~~~~~~ These Evil Mermen Don't Have Tails, They're Deadly as Hell, and They've Got Something He Wants...

INFAMOUS BACHELOR and SELF-MADE BILLIONAIRE ROEN DORAN IS A BASTARD. Yes, he knows it. And no, he doesn't care. He's got money and power, and he depends on no one. But when his estranged father dies, willing him a secret island, Roen will come face to face with an even bigger secret: its occupants. And these savage, sea-obsessed warriors are quick to make their position clear: Leave now or die.

There's only one problem. Nobody tells Roen what to do. Ever. Oh, and one other thing. He's just met the island's other new "guest" and something about her brings out his possessive side.

SOLE SHIPWRECK SURVIVOR LIV STRATTON had been adrift at sea for ten grueling days when salvation miraculously appeared: an uncharted island. Only, the deceivingly beautiful men who live there aren't interested in saving her. No, not at all. Because they somehow believe she is their property, a gift from the ocean to do with as they please. This is not good.

Her only hope? Billionaire Roen Doran, of all people. A man who's said to care for nothing and no one. But if he's so heartless, then why is he about to risk everything to help her?

About the Author
Mimi Jean Pamfiloff is a New York Times & USA Today best-selling author of Paranormal and Contemporary Romance. Both traditionally and independently published, Mimi has sold over 500,000 books since publishing her first title in 2012, and she plans to spontaneously combust once she hits the one million mark. Although she obtained her international MBA and worked for over 15 years in the corporate world, she believes that it’s never too late to come out of the romance closet and follow your dream. When not screaming at her computer or hosting her very inappropriate radio show (Man Candy Show on Radioslot.com), Mimi spends time with her two pirates in training, her loco-for-the-chili-pepper hubby, and her rat terrier, DJ Princess Snowflake, in the San Francisco Bay Area. She continues to hope that her books will inspire a leather pants comeback (for men) and that she might make you laugh when you need it most.
