Strategic Leadership: The General's Art By Edited by Mark Grandstaff and Georgia Sorenson, Afterword by James MacGregor Burns

In line with the curriculum followed by senior officers, this book teaches leaders how to think and lead strategically in uncertain environments. With contributions from military leaders and experts in the fields of transformational leadership, systems, critical and historical thinking, and corporate culture, this work teaches mid-level managers how to become high-level executives.

Strategic Leadership: The General's Art offers:
-Strategic thinking and leadership processes taught by the military to its senior leadership
-Strategic leadership theories and practical exercises to help put those theories into action
-The valuable knowledge that Fortune 500 companies, government agencies, and non-profit organizations gain through U.S. Army War College workshops

Editorial Review

Review
At their center, great organizations such as America's armed forces are the product of great leaders. This fantastic book reveals the keys to success within the military culture, as well as relevant and practical application tools for creating strong leaders today.
--Stephen R. Covey, author, *The 7 Habits of Highly Effective People* and *The 8th Habit: From Effectiveness to Greatness*

This book engages you at every turn with examples taken from national and world events. You ll find in this remarkable book the best practices that can transform you, your organization, and your community. I ve never seen a leadership book like it. It is a must-read in this time of transformation.
--Michael L. Ray, Professor of Creativity and Innovation, Emeritus, Stanford University, Author of *Creativity in Business* and *The Highest Goal*

This outstanding book looks beneath the platitudes about leadership and shows us conceptually and pragmatically how to build leaders. The conceptual models and practical tools offer a marvelous compendium of why military leadership is so successful.
--Dave Ulrich, Professor of Business, University of Michigan, Partner, The RBL Group

This outstanding book looks beneath the platitudes about leadership and shows us conceptually and pragmatically how to build leaders. The conceptual models and practical tools offer a marvelous compendium of why military leadership is so successful. --Dave Ulrich, Professor of Business, University of Michigan, Partner, The RBL Group
