**The Baby Tree (Christian Romance)** By Beverly Farr

Two ordinary people . . . in extraordinary circumstances.

As the single father of quintuplet babies, Michael doesn't just have his hands full. He has his life full.

Too full.

The last thing he wants is to fall in love with Olivia, the girl next door. He doesn't have the time. He's too busy changing diapers.

In the evenings, Olivia quilts and watches Pride and Prejudice, but after the babies move in, she finds herself watching their tall, dark, handsome dad instead.

Love is always extraordinary.
