Los violadores del sueño (Spanish Edition) By Manfredo Kempff Suárez

La tranquilidad en una colonia menonita se rompe en mil pedazos cuando se captura a un grupo de siete violadores que habían abusado de aproximadamente 150 mujeres. Niñas y adultas guardaron el mayor silencio inicialmente, algunas por vergüenza o porque creían que se trataba de actos ejecutados por el demonio, otras porque la familia se resistía a denunciar ese estigma. En una sociedad absolutamente tradicional y entregada a Dios y al trabajo, no era posible imaginar que sucedieran tan reprochables atentados contra la moral. Esta nueva novela de Kempff está basada en hechos reales y recientes que ya han sido procesados en tribunales de justicia bolivianos.
