## Editorial Review

Review
*Captivates the reader....Abounds with a deep spiritual vitality. --Southern Crossings, May/June 1992*

From the Publisher
Man’s Eternal Quest is a book about God: about God’s place in man’s life; in his hopes, will, aspirations, accomplishments. Life, man, achievement—all are but manifestations of the one omnipresent Creator, as inseparably dependent on Him as the wave is dependent on the ocean. Paramahansa Yogananda explains why and how man was created by God, and how he is immutably a part of God, and what this means to each one personally. Realization of the oneness of man and his Creator is the whole essence of Yoga. An understanding of man’s inescapable need for God, in every aspect of living, removes the otherworldliness from religion and makes knowing God the basis of a scientific and practical approach to life.

About the Author
Hailed as "the father of Yoga in the West", Paramahansa Yogananda - author of the spiritual classic *Autobiography of a Yogi* - is regarded as one of the great spiritual figures of our time. Born in northern India on January 5, 1893, he devoted his life to helping people of all races and creeds to realize and express more fully in their lives the true beauty, nobility, and divinity of the human spirit. After graduating from Calcutta University in 1915, Yogananda took formal vows as a monk of India's venerable monastic Swami Order. Two years later, he began his life's work with the founding of a how-to-live school since grown to twenty-one educational institutions throughout India where traditional academic subjects were offered together with yoga training and instruction in spiritual ideals. In 1920, he was invited to serve as India's delegate to an International Congress of Religious Liberals in Boston. His address to the Congress and subsequent lectures on the East Coast were enthusiastically received, and in 1924 he embarked on a cross-continental speaking tour. Over the next three decades, Paramahansa Yogananda contributed in far-reaching ways to a greater awareness and appreciation in the West of the spiritual wisdom of the East. In Los Angeles, he established an international headquarters for **Self-Realization Fellowship,** the nonsectarian religious society he had founded in 1920. Through his writings, extensive lecture tours, and the creation of Self-Realization Fellowship temples and meditation centers, he introduced hundreds of thousands of truth-seekers to the ancient science and philosophy of Yoga and its universally applicable methods of meditation. Today, the spiritual and humanitarian work begun by Paramahansa Yogananda continues under the direction of Sri Mrinalini Mata, one of his closest disciples and president of Self-Realization Fellowship/Yogoda Satsanga Society of India since 2011. In addition to publishing his writings, lectures and informal talks (including a comprehensive series of Self-Realization Fellowship Lessons for home study), the society also oversees temples, retreats, and centers around the world.
