One Night with the Prince By T.M. Mendes

✔Royalty ✔Funny ✔Sexy ✔Romantic ✔Strong Heroine

This hilarious mix of *Princess Diaries* and *One Night with the King* will leave you in stitches and filled with romance from another land.

The beautiful land of Bantaniomos had everything - the great smell of the ocean, the pathways were made of cobblestone, and the streets were gray bricks. The buildings looked like they were centuries old, but they had been kept up. And the best thing? They had a hunk as a Prince.

But for Anna from Montana, going there was the perfect escape from her usual life, and she didn't care much for the Prince - until she was suddenly kidnapped and was woken up in the palace.

She suddenly found herself in a competition for the Prince's heart - Anna sure doesn't know how, but she knew that she had to stay away from the Prince as much as she could. With her mischievous ways and un-royal manners, she was sure that the Prince wouldn't pick her.

But what if the Prince was as determined to be with her as she was determined to stay away from him?

Incredible, funny and heart wrenching.

I loved how this one was void of clichés and was full of surprises. I loved to read it again and again, and the characters were two people who were somehow rounded well by the author. Although there were errors in editing, it was fairly just right enough to be understood.

ABSOLUTELY LOVED IT!!!!!
I first read this story on Wattpad. When I found out that it had been published I had to get it. It has just the right amount of hilarity, seriousness and romance to make you go from melting to laughing to wanting to hit someone (lol). I recommend this book to anyone who likes a modern day romance with a twist.
-Lindsey Drennan

If you like Keira Cass' The Selection series, I very much recommend this one. It's such a page-turner. I literally couldn't stop reading until I was finished! Worth every second. I would read it again.
