Sinful Surrender: Romance: Erotic Scifi Romance: Psychic Menage - (fantasy dystopian psychic spy) (Psychic Menage Book 1) (Volume 1) By Houston Havens

5 stars Series **Sinful Surrender** book one **Psychic Menage** hit **Amazon international and national Bestseller's list 6 days after it was released.** It's a **can't put down superbly written** Dystopian Scifi Erotic Romance that **reviewers are saying** should be made into the next **block-buster movie.** Others are saying **Houston Havens is unlike any author** they've ever read. Her stories are **wonderfully creative, intriguing plots and character** that are **so real** you won't stop dreaming about them. One reviewer said ... this book was a combination of **Terminator** (robots - battles), **Divergent/Insurgent** (different class of people), and **50 shades of Grey - if 50 Shades was about 1000 times kinkier. Maybe a million.** And this same reviewer said **Sorry E.L. James but, between you and H H, Houston wins the "Panty Pleasing" award.**

Top psychic spy Fay Avalon saw too much on her latest mind traveling mission and is now on the run from her post-catastrophic dystopian government, searching for the truth and proof. She escapes but is shot down, landing in the arms of the enemy.

In Drakker and Arlo's world, women are so rare the men have accepted a polyandrous lifestyle. When the brothers stumble upon Fay unconscious in the wreckage of an aircraft, they are immediately attracted to her. Arlo wants to keep her, but Drakker knows they can't. They must take her to their brother Logan Abán, leader of their people.

Logan struggles with trusting anyone, even himself. When a beautiful, intelligent, and intriguing woman falls into their laps, his denied desires for intimacy challenge his need to trust the spy. He's frustrated by romantic Arlo's claims of her innocence. Even when pragmatic and dominating Drakker defends her as well, Logan refuses to trust his gut.

Can one woman satisfy the diverse desires of three men? Will Logan's fears be realized by betrayal? Is Fay to be sentenced to death as a spy, suffer a fate worse than death by being returned to her government as a traitor, or will she find a new life and love as the wife of three sexy brothers?
