The Grasshopper Lies Heavy By Chandler Duke

1966 -- a century after the Confederate States of America won the Civil War -- the Cold War rages.

The Soviets control the west coast. The British have The Colonies. The Confederacy is a powder keg in the middle.

A terrorist attack in dystopian Atlanta lights the fuse.

A Captain in the KKK grows disillusioned with his country. A widow who won't grieve grows disillusioned with herself. A slave working at a weapons factory reaches his limits. A British invasion of Black Panthers. A Russian spy hides in plain sight. A President cashes in his chips.

The Grasshopper Lies Heavy tells the story of an America on the brink- of war, of identity, of starting over.

Editorial Review

From the Author

I recently did a full edit and polish of my novel and am republishing it on Amazon as of 2/22/16. Based on reader feedback and reviews, I hired a professional editor to address any issues of syntax, grammar and other small typos/mistakes. So if you have any complaints, at least it will be because you hated the story and not the grammar. Thanks for reading!

About the Author

Chandler Duke is a young writer living in Los Angeles. He is a recent graduate of Loyola Marymount University with a degree in Screenwriting. This is his first novel.

Users Review

From reader reviews:

Terry Grissom:
