38 Page Planner Printables Pack & Project Organize Your ENTIRE Life: The Quick Start Guide By Stephanie Morgan

This updated version of the original eBook that sold over 10,000 copies is the answer to the organization question, “Where Do I Start?”. The accompanying 38 page printables pack includes everything you need to manage every aspect of your day-to-day life from cleaning and meal-planning, to scheduling and that never ending to-do list.

There’s something for everyone here including two different cleaning systems (are you more of a checklist person or a calendar cleaner?) as well as all the printables in both an 8.5″ x 11″ size AND a 5.5″ x 8.5” size. There’s even a suggested daily cleaning checklist, weekly cleaning schedule, and master cleaning list...

Ever feel like your busy life is getting the better of you? Or worse, that everyone else has a better system for getting dinner on the table, finishing the laundry, and spending time actually enjoying their family?

That's exactly how blogger Stephanie Morgan was feeling late one night in early 2012.

As a result, she created the now viral movement Project Organize Your ENTIRE Life (POYEL for short). The series has been read, and pinned, by over half a million people since its inception in February of 2012.

ThiseBook is the culmination of everything POYEL members have learned in that time.

Inside this easy, 50 page read you'll find:

Step-by-Step action plans for conquering some of the biggest obstacles to living the simplified life you’re yearning for: decluttering, cleaning, organizing, meal planning and more.

Customizable strategies for it all. We’re of the belief that one size does NOT fit all. Which is why the quick start guide is full of resources for a variety of lifestyles, schedules, and personalities.

A built-in support network. Yeah, we know, a support system for organizing? Sounds a little over the top – but you’d be surprised how motivating a facebook group of over 4,000 fellow simplifiers can be.

No unattainable goals, only real-life expectations. If there’s one thing we’ve learned, it’s that simplifying and organizing is a journey, not a destination. So we’ve set up our quick start guide accordingly. By offering lots of different strategies for tackling a problem, we’re arming you with the tools you need to be successful when life changes on you.

Bonus Material: We’re also teamed up with our favorite meal planning service to offer everyone who buys the eBook an exclusive 20% discount code – it’ll make dinner prep a snap!

It's everything you need to take control and start down the path to a more simplified life.
