**Because I Love You** By Tori Rigby

Eight weeks after sixteen-year-old Andie Hamilton gives her virginity to her best friend, “the stick” says she’s pregnant.

Her friends treat her like she’s carrying the plague, her classmates torture and ridicule her, and the boy she thought loved her doesn’t even care. Afraid to experience the next seven months alone, she turns to her ex-boyfriend, Neil Donaghue, a dark-haired, blue-eyed player. With him, she finds comfort and the support she desperately needs to make the hardest decision of her life: whether or not to keep the baby.

Then a tragic accident leads Andie to discover Neil’s keeping a secret that could dramatically alter their lives, and she's forced to make a choice. But after hearing her son’s heartbeat for the first time, she doesn’t know how she’ll ever be able to let go.

## Editorial Review

About the Author

Adopted at three-days-old by a construction worker and a stay at home mom, Tori Rigby grew up with her nose in a book and her fingers on piano keys, always awaiting the day she'd take her own adventure. Now, she goes on multiple journeys through her contemporary and historical romances. She longs to live in the Scottish Highlands, and her favorite place in history is Medieval England—she'd even give up her Internet and running water to go back in time! Tori also writes high-concept genre fiction as Vicki Leigh, and when she isn't writing, she's kicking butt in krav maga or attending classes to learn how to catch bad guys.

## Users Review

**From reader reviews:**

**Bill Bobby:**

In this 21st century, people become competitive in every single way. By being competitive today, people have do something to make all of them survives, being in the middle of typically the crowded place and notice by surrounding.
