**Cooper (Corps Security)** By Harper Sloan

Do you take me seriously? Because I don’t. I use my jokes and easygoing personality to hide the pain I’ve felt since he took his last breath. I’m adrift without my partner in crime, my best friend…my brother. I can taste the vengeance just within my grasp. Until she barges into my life. Promising me happiness and a peace I’ve been craving for years. She is the sun to my darkness, the happy to my despair. But she holds secrets. Just like I do. She holds hers close, where I just pray mine don’t rock the walls we’re trying to build. Now I’m stuck at a crossroads between my desire for revenge and my craving for her and the life we could have together—and I have no idea which road I should travel. All I know with crystal clear certainty is that the past has the power to destroy it all.
