**Hôtel Transylvania: A Timeless Novel of Love and Peril (The Saint-Germain Cycle)** By Chelsea Q Yarbro

Since 1978, Chelsea Quinn Yarbro has produced about two dozen novels and numerous short stories detailing the life of a character first introduced to the reading world as Le Comte de Saint?Germain. We first meet him in Paris during the reign of Louis XV when he is, apparently, a wealthy, worldly, charismatic aristocrat, envied and desired by many but fully known to none. In fact, he is a vampire, born in the Carpathian Mountains in 2119 BCE, turned in his late thirties in 2080 BCE and destined to roam the world forever, watching and participating in history and, through the author, giving us an amazing perspective on the time?tapestry of human civilization.

In *Hôtel Transylvania*, Saint?Germain makes his first appearance in a story that blends history and fiction as Saint?Germain is pitted against Satanists to preserve Madelaine de Montalia from ruin.

## Editorial Review

From Library Journal
These are the first two volumes in Yarbro's series of vampire novels. In Hotel Transylvania, Le Comte de Saint-Germain, the newest member of Louis XV's court, catches the eye of Madelaine de Montalia, but the young lady has attracted others as well, not all of whom mean her well. The Palace is the home of nobleman Francesco Ragoczy da San Germano, who collects the finest art and also dabbles in the black arts. Good titles to recommend to readers who have done all of Anne Rice and are looking for other gothic vampire tales.

About the Author

Chelsea Q. Yarbro is the first woman to be named a Living Legend by the International Horror Guild and is one of only two women ever to be named as Grand Master of the World Horror Convention (2003). In 1995, Yarbro was the only novelist guest of the Romanian government for the First World Dracula Congress, sponsored by the Transylvanian Society of Dracula, the Romanian Bureau of Tourism, and the Romanian Ministry of Culture. Yarbro is best known as the creator of the heroic vampire the Count Saint-Germain. With her creation of Saint-Germain, she delved into history and vampiric literature and subverted the standard myth to invent the first vampire who was more honorable, humane, and heroic than most of the humans around him. She fully meshed the vampire with romance and accurately detailed historical fiction, and filtered it through a feminist perspective that made both the giving of sustenance and its taking of equal erotic potency. A professional writer since 1968, Yarbro has worked in a wide variety of genres, from science fiction to Westerns, from young adult adventure to historical horror. A skeptical occultist for forty years, Yarbro has studied everything from alchemy to zoomancy, and in the late 1970s worked occasionally as a professional tarot card reader and palmist at the Magic Cellar in San Francisco.

## Users Review

**From reader reviews:**

**Virginia Boone:**

Reading a book being new life style in this calendar year; every people loves to study a book. When you study a book you can get a lot of benefit. When you read guides, you can improve your knowledge, due to the fact book has a lot of information onto it. The information that you will get depend on what sorts of book that you have read.
