Editorial Review

About the Author
I do not claim that “Perfect Knowledge of Piping Engineering” is the final word in Piping Engineering. I have tried my best to share the knowledge and experience being common to more Engineers who came forward to co-operate in the field of knowledge and pool their experience to make it better for the Mechanical Engineers whether final year students or fresher in service or working as a junior Engineer in construction field and doing the Piping Engineering job. It is easy to grasp the basic knowledge and principles of Piping Engineering This book is devised and planned to be practical help and is made to be most valuable reference book. I will feel myself proud that my efforts are rewarded, if this book contributes even to a small group of students or fresher or working junior Engineer in acquiring and understanding of the subject. I sincerely record my gratitude to Mr. Ram Babu Sao, experienced and versatile Mechanical Engineer and friend of mine whose promise and unstinted labour in providing assistance to publish this book. Otherwise this book could have not been published. I acknowledge his contribution gratefully. I am extremely grateful to all those who have assisted me in bringing out this edition of the book. Mumbai Sanjay Kumar Gupta August 2015

Users Review

From reader reviews:

Tara Carlson:

Often the book Perfect Knowledge of Piping Engineering: Piping Engineering will bring you to definitely the new experience of reading a new book. The author style to explain the idea is very unique. When you try to find new book to study, this book very acceptable to you. The book Perfect Knowledge of Piping Engineering: Piping Engineering is much recommended to you to read.
