Watch Me! By Nicola Diaz

SPREAD BARE, FACE DOWN as the world below me watches. The wind LICKS MY A** as my thighs cradle the railings 200 feet above the ground. I'M SCARED but I know there is NO TURNING BACK

Advisory: This 7000 word erotic tale contains explicit sexuality, and adult situations. The content may be considered objectionable, so please read at your own discretion.

****

*My name is Scarlett and **I can't bear to look** down*

Perched face down on the tower, I see the crowds gathering

The cameras flashing, the people pointing and whispers floating towards me.

*My bare a** **stretched** and **exposed** for the world to see.*

I turn round and peek at my dark brooding partner.

*I've known him for only a few hours yet he has **taken control** of my **tender young body.***

*His eyes focus on their target, my **wet and moist** invitation, he is intent on **making me scream** in front of his audience.*

*I've **used my body** to pay my way many times over.*

*But this is new, this is **scary** and **I'm not sure if I am ready.***

I peek down once more, the crowd wants it, my dark stranger wants it.

*I **clench my muscles** as the **world awaits my screams……***

Users Review

From reader reviews:

Darrell Fowler:

What do you ponder on book? It is just for students because they are still students or that for all people in the world, what best subject for that? Just simply you can be answered for that question above. Every person has distinct personality and hobby for each other. Don't to be obligated someone or something that they don't need do that. You must know how great as well as important the book Watch Me!. All type of book would you see on many solutions. You can look for the internet methods or other social media.

Bradley Simpson:

Are you kind of hectic person, only have 10 or even 15 minute in your time to upgrading your mind expertise or thinking skill perhaps analytical thinking? Then you are experiencing problem with the book than can satisfy your short space of time to read it because all of this time you only find publication that need more time to be read. Watch Me! can be your answer mainly because it can be read by you actually who have those short extra time problems.

Stacey Lawrence:

Many people spending their moment by playing outside with friends, fun activity having family or just watching TV the whole day. You can have new activity to shell out your whole day by studying a book. Ugh, think reading a book can actually hard because you have to use the book everywhere? It alright you can have the e-book, delivering everywhere you want in your Smart phone. Like Watch Me! which is finding the e-book version. So , try out this book? Let's find.

Robert McKay:

On this era which is the greater person or who has ability to do something more are more special than other. Do you want to become among it? It is just simple approach to have that. What you must do is just spending your time not much but quite enough to enjoy a look at some books. On the list of books in the top collection in your reading list will be Watch Me!. This book which can be qualified as The Hungry Inclines can get you

closer in getting precious person. By looking way up and review this guide you can get many advantages.
