Whitefern (The Audrina Series) By V.C. Andrews

The long-awaited sequel to *My Sweet Audrina*, one of V.C. Andrews's strangest, most beloved books—and now a Lifetime movie! Whitefern swallowed Audrina's childhood—and now the sprawling Victorian mansion threatens her adult life too...

Audrina remembers a better time, when her husband, Arden, was a young man with a heart filled with devotion for her. He didn't used to be this ambitious, expansive...this *cruel*. But then, the death of Audrina's father changed a great many things.

When the reading of her father's will reveals that Audrina herself will control fifty-one percent of the family brokerage—the halls of Whitefern again don't feel safe. Arden's protestations become frantic, nearly violent. And while Audrina didn't anticipate running the family business, she's curious to do so. And she can't help but wonder what had made her father change his will at the last minute? What did he know about Arden that she didn't?

Trapped in the middle of it all: her fragile, simple sister—the beautiful, trusting Sylvia. Audrina promised her father she'd watch over the young woman. But after years of relative quiet, the dark days of Whitefern may have returned...
