Emaciated and weak, he desperately tries to hold on long enough to find a way to destroy her. But with one taste of her blood, only one word bursts through his fragile psyche…MINE. Keira Moss has spent the last seven years trying to figure out a way to get herself out of this hellhole…and to save the strong-willed vampire she's grown to admire, and to love, while she's at it. But she's afraid that not even a witch as powerful as she will get out of this one. Forced to destroy him or have her sister pay the price, she knows that the vampire that holds her heart will kill her the moment he gets the chance. And she won't stop him. Once free from their chains, Luukas discovers that the one who broke him may be the only one who can put him back together. But then, in a cruel twist of fate, Keira is taken from him, and now Luukas must return to the nightmare where it all began to get her back. As his overwhelming need for her wars with his lust for Blood Vengeance, his shattered mind must choose: to kill the witch or to love the angel…making her HIS, forever.
