From the Notebooks of a Middle School Princess By Meg Cabot

Return to the world of Meg Cabot's bestselling and beloved Princess Diaries series in *From the Notebooks of a Middle School Princess*—this time through the illustrated diary of a spunky new heroine: Princess Mia's long lost half-sister, Olivia!

Olivia Grace Clarisse Mignonette Harrison is a completely average twelve-year-old: average height, average weight, average brown hair of average length, average brown skin and average hazel eyes. The only things about her that aren't average are her name (too long and princess themed), her ability to draw animals (useful for her future career as a wildlife illustrator), and the fact that she is a half-orphan who has never met her father and is forced to live with her aunt and uncle (who treat her almost like their own kids, so she doesn't want to complain).

Then one completely average day, everything goes wrong: the most popular girl in school, Annabelle Jenkins, threatens to beat her up, the principal gives her a demerit, and she's knocked down at the bus stop . . .

Until a limo containing Princess Mia Thermopolis of Genovia pulls up to invite her to New York to finally meet her father, who promptly invites her to come live with him, Mia, Grandmère and her two fabulous poodles . . . .

Maybe Olivia Grace Clarisse Mignonette Harrison isn't so average after all!

Editorial Review

From School Library Journal
Gr 3–5—Return to the world of Cabot's widely popular series in this sweet and sassy spin-off featuring the younger half sister of Princess Mia Thermopolis, Olivia Grace Clarisse Mignonette Harrison. Olivia, a biracial sixth grader with dreams of growing up to be a wildlife illustrator, believes herself to be completely ordinary and average. In fact, that's how she's being raised by her Aunt and Uncle O'Toole. Consumed with texting her BFF Nishi and avoiding an afternoon scrape with Annabeth, the most popular girl in middle school, Olivia's world is about to become a reality show when her sister Mia arrives in a chauffeured limousine, ready to whisk her back to her rightful home in Genovia. Readers familiar with Cabot's previous books know that these princesses are made of tough stuff and use their brains (as well as their bodyguards and limousines) to save themselves and make the world a better place. Olivia's voice comes through strongly in the text, though her overuse of exclamatory phrases can be a bit off-putting. VERDICT This bubble-gum flavored contemporary tale will be a perfect fit for Fancy Nancy alumni and readers not quite ready for Cabot's longer novels.—Meg Allison, The Moretown School, VT

Review

“The nation of Genovia gains a new resident in this amusing spin-off...Cabot's own black and white cartoons further enliven Olivia's entertaining and candid notebook entries, which will have readers looking forward to her future escapades.” ?*Publishers Weekly*

“Olivia, who's biracial, is a lively, engaging character whose peppy, often-wry diary-style narrative details her experiences and progressive discoveries about her background, royal life, and the true meaning of family....this entertaining, quickly absorbing read will have readers anticipating the sequel.” ?*Booklist*

“This sweet and sassy spin-off featuring the younger half-sister of Princess Mia Thermopolis ...will be a perfect fit for Fancy Nancy alumni and readers not quite ready for Cabot's longer novels.” ?*School Library Journal*

“Author Meg Cabot is ready to put her tiara back on [with] a new character, Olivia Grace. She's a middle-school girl in New Jersey who discovers she is Princess Mia's long-lost half-sister. And much like her older sister, she will be thrust into the royal spotlight and will chronicle the adventure in a journal, complete with drawings.” ?*USA Today*

“Olivia has an amusing and self-deprecating wit that makes the narration breezy and accessible, and Cabot's black and white illustrations liven up the tale. Youngsters who aspire to be the next Kate Middleton will find this enchanting and perhaps instructional.” ?*BCCB*

About the Author
Meg Cabot is the #1 New York Times bestselling author of the *Princess Diaries* series, with over 25 million copies of her books sold worldwide. Born and raised in Bloomington, Indiana, Meg also lived in Grenoble, France, and Carmel, California, before moving to New York City after graduating with a bachelor's degree in fine arts from Indiana University. She is the author of numerous books for adults and children, but *From the Notebooks of a Middle School Princess* is the first book she's illustrated. Meg Cabot currently lives in Key West with her husband and cat.

Users Review
