Making a Laminated HollowBody Electric Guitar By James English

If you think that making a guitaris impossible, then this book is for you. The only one of its' kind, this bookwill teach you how to make a laminated archtop guitar. It can be done in arelatively small space and does not require many tools or expensive machinery,just a desire to do it. The book came about as the result of a suggestion andurging of my friend, Bob Benedetto. Because no otherbook is available for this type on construction, it is written in an easy tounderstand format and is priced so that almost anyone can afford it. Itcontains drawings and pictures with step by step easy to follow instructions soas to eliminate any guesswork. This book took four years to complete and isdesigned to help someone who wants to make this kind of guitar. It should serveas an excellent guide.
