Slammed: A Bad Boy Romance By Teagan Kade

My purity ring was perfectly fine until Nate 'King' Compton showed up.

The star recruit of the Panthers, inked up and out of control—He's the campus troublemaker I know I should avoid, but I can't. Problem is, I've been given the 'privilege' of improving his GPA… provided I can find a brain in all that muscle.

I don't do bad boys. I do order and control, and he's chaos. He's the antithesis of my perfect princess world in every way. Still, there's something deeper under those Caribbean eyes and cut body, a darkness we both share. I'm going to get to the bottom of it if it kills me, and given the way my heart hammers out of my chest every time he's around, it just might.

Game on.

Slammed is a **complete, standalone novel** with a **happy ending** and **no cheating**.

*****For a limited time, Teagan's best-selling novel Burned is included as a bonus. Buy one, get one free!*****
