ACTEX Study Manual: SOA Exam P, CAS Exam 1 - 2009 Edition By Samuel A. Broverman

This is a 2010 edition. The 2010 edition is a refinement to the major improvements made in the 2009 edition. It reflects the removal of some continuous distributions that are no longer listed in the learning objectives for the exam, and expands coverage on conditional variance. All practice exams are composed of completely original questions. It also includes a review of the prerequisite algebra and calculus material.

Ricky Bodkin:

As a student exactly feel bored in order to reading. If their teacher questioned them to go to the library in order to make summary for some guide, they are complained. Just very little students that has reading's heart or real their hobby. They just do what the instructor want, like asked to go to the library. They go to at this time there but nothing reading critically. Any students feel that reading through is not important, boring and also can't see colorful pictures on there. Yeah, it is to get complicated. Book is very important for you
