Editorial Review

About the Author
The author is a world leading expert on ground based solar radiation. He discovered the “Archimedes Death Ray” effect that occurs in architecture, found unnaturally high levels of solar radiation in human society, discovered radiation suppression by nature, and developed the “Tree Canopy Light Interference”, “Structure Light Interference”, and “Atmospheric Energy Interference” effects for solar radiation.

Users Review

From reader reviews:

Herbert Haubrich:

What do you in relation to book? It is not important with you? Or just adding material if you want something to explain what you problem? How about your free time? Or are you busy man?
