5 Stars
I loved both books in this series. The books have a great story line and they flow very smooth. I love the names of the characters and the ending has made we feel excited and nervous for the next one in the series, **~ Kindle Customer.**

From the Author
The Rose Farm trilogy takes place in my hometown of Rose Farm, Ohio. A lot of the places mentioned in these books, are still up and running businesses today. I had a great time revising the past and bringing it to life in this series. I hope you love these books and the characters as much as I do. "The Kennedy Mule Hill Farm" was actually called "The Bruce Mule Hill Farm, owned and operated by Carl and Josephine Bruce back in the early 1960's, and Peaches (Peach's) Place, does have the best food around.
