Educación financiera (Spanish Edition) By Alberto Chan
En nuestra sociedad apenas existe la educación financiera. La mayoría crecemos con la idea de que en la época adulta será suficiente con tener conocimientos académicos para encontrar un empleo estable. Pero ¿de verdad es esto suficiente? Actualmente, a los jóvenes se les brinda la mejor formación posible, pero hay también un índice alto de paro juvenil y los salarios están cada vez menos equiparados con la titulación obtenida.
Este libro nos abre una puerta a la educación financiera. Una educación que nos permitirá tener habilidades con el manejo del dinero, obtener ingresos distintos a los del salario, crear negocios sin un capital inicial, conocer las mejores estrategias de ahorro y de gasto para nuestra economía doméstica, diferenciar los tipos de deuda, saber con certeza cuáles son las tarjetas de pago más convenientes. El autor nos explica cuáles son las reglas del mundo del dinero, la importancia del ahorro y también de la inversión. En definitiva, este libro brinda al lector las herramientas necesarias para conseguir una buena educación financiera, que sirva también para transmitirla a nuestros hijos.

Editorial Review

Users Review

From reader reviews:

Fern Rodriquez:

Book is to be different for each and every grade. Book for children right up until adult are different content. As you may know that book is very important for all of us. The book Educación financiera (Spanish Edition) has been making you to know about other know-how and of course you can take more information. It is quite advantages for you. The reserve Educación financiera (Spanish Edition) is not only giving you far more new information but also for being your friend when you really feel bored. You can spend your own personal spend time to read your publication. Try to make relationship while using book Educación financiera (Spanish Edition). You never experience lose out for everything in the event you read some books.

Kenneth Handy:

Here thing why this specific Educación financiera (Spanish Edition) are different and reliable to be yours. First of all reading a book is good nonetheless it depends in the content of it which is the content is as yummy as food or not. Educación financiera (Spanish Edition) giving you information deeper and in different ways, you can find any guide out there but there is no publication that similar with Educación financiera (Spanish Edition). It gives you thrill reading through journey, its open up your personal eyes about the thing that happened in the world which is possibly can be happened around you. It is possible to bring everywhere like in park your car, café, or even in your method home by train. For anyone who is having difficulties in bringing the branded book maybe the form of Educación financiera (Spanish Edition) in e-book can be your alternate.

Dolores Rawson:

The event that you get from Educación financiera (Spanish Edition) is a more deep you digging the information that hide inside the words the more you get interested in reading it. It does not mean that this book is hard to know but Educación financiera (Spanish Edition) giving you joy feeling of reading. The writer conveys their point in certain way that can be understood by anyone who read the item because the author of this reserve is well-known enough. This specific book also makes your personal vocabulary increase well. Therefore it is easy to understand then can go with you, both in printed or e-book style are available. We propose you for having that Educación financiera (Spanish Edition) instantly.

Lee Villegas:

The reason? Because this Educación financiera (Spanish Edition) is an unordinary book that the inside of the publication waiting for you to snap the idea but latter it will jolt you with the secret the idea inside. Reading

this book close to it was fantastic author who all write the book in such remarkable way makes the content inside easier to understand, entertaining way but still convey the meaning fully. So , it is good for you because of not hesitating having this ever again or you going to regret it. This book will give you a lot of advantages than the other book have such as help improving your ability and your critical thinking method. So , still want to hold off having that book? If I were being you I will go to the publication store hurriedly.
