Hegde's PocketGuide to Assessment in Speech-Language Pathology By M.N. Hegde

Widely recognized as one of the most valuable resources in speech-language pathology, the respected Hegde's PocketGuide to Assessment in Speech-Language Pathology is now in its third edition. Designed as a companion volume to the Hegde's PocketGuide to Treatment in Speech-Language Pathology, Third Edition, it provides clinical practitioners and students in communication sciences and disorders a quick reference for assessment techniques. The most desirable features of a specialized dictionary of terms, clinical resource book, and textbook of assessment are combined in this single, easy-to-access resource. Assessment procedures are provided in a "do this" format. Information not directly related to assessment procedures has been moved to the new Hegde's PocketGuide to Communication Disorders, allowing for expanded coverage of assessment procedures and the addition of important new entries, making this edition more relevant and useful than ever!
