**Investment Planning Textbook** By John Keir, James Tissot

Keir designed this textbook using our well proven methodology of structuring each book to follow the 78 topic list provided by the CERTIFIED FINANCIAL PLANNER™ Board of Standards. We have used this methodology for over 10 years to help thousands of students pass the CFP® Certification Examination. The 78 topic list is the current basis for the CFP® Certification Examination. This textbook covers Investment Planning (Topics 24—31). Since we designed this textbook to follow the CFP Board's topic list, a Certificate program's students and instructors will find this unique format to be the most effective and concise way to learn just the topics specifically tested on the CFP® Certification Examination.

## Editorial Review

## Users Review

**From reader reviews:**

**Misty Barrientos:**

Book is to be different for every grade. Book for children until finally adult are different content. As it is known to us that book is very important for all of us. The book Investment Planning Textbook seemed to be making you to know about other understanding and of course you can take more information. It doesn't matter what advantages for you. The book Investment Planning Textbook is not only giving you considerably more new information but also being your friend when you truly feel bored. You can spend your own spend time to read your guide. Try to make relationship using the book Investment Planning Textbook. You never really feel lose out for everything if you read some books.

**Ann Birdsell:**

Here thing why this particular Investment Planning Textbook are different and dependable to be yours. First of all reading a book is good but it really depends in the content of the usb ports which is the content is as yummy as food or not. Investment Planning Textbook giving you information deeper and different ways, you can find any book out there but there is no reserve that similar with Investment Planning Textbook. It gives you thrill studying journey, its open up your own personal eyes about the thing this happened in the world which is probably can be happened around you. It is possible to bring everywhere like in area, café, or even in your way home by train. If you are having difficulties in bringing the imprinted book maybe the form of Investment Planning Textbook in e-book can be your choice.

**Edward Cooley:**

This Investment Planning Textbook tend to be reliable for you who want to become a successful person, why. The explanation of this Investment Planning Textbook can be on the list of great books you must have is giving you more than just simple examining food but feed you actually with information that maybe will shock your previous knowledge. This book is usually handy, you can bring it everywhere and whenever your conditions in e-book and printed versions. Beside that this Investment Planning Textbook forcing you to have an enormous of experience like rich vocabulary, giving you trial of critical thinking that could it useful in your day task. So , let's have it and enjoy reading.

**Gerald Allen:**

Exactly why? Because this Investment Planning Textbook is an unordinary book that the inside of the guide waiting for you to snap this but latter it will shock you with the secret it inside. Reading this book alongside it was fantastic author who also write the book in such awesome way makes the content inside easier to

understand, entertaining method but still convey the meaning fully. So , it is good for you because of not hesitating having this any longer or you going to regret it. This phenomenal book will give you a lot of benefits than the other book have such as help improving your expertise and your critical thinking approach. So , still want to hold up having that book? If I were you I will go to the publication store hurriedly.
