Editorial Review

Review
... Kendrick's considerable local knowledge and that of her contributors, gives this book an unusual degree of authority. (Open virtually any other guidebook on Mexico and you ll be lucky to find more than a few pages -- or paragraphs -- devoted to the Chapala area.) In fact, there is so much information here for both residents and short-term visitors, that I second another reviewer s suggestion that you ll need two copies of this book: one to keep in the car, the other for the use of guests or beside the telephone at home. --Carl Franz, author of The People's Guide to Mexico, 30th Edition

I find this a quality production that more than fulfills what it set out to do. --Alan Cogan, Reviewer, Travel Books Section, mexconnect.com, Nov. 2005

I ordered this book from Amazon and took it with me to the Lake Chapala region and found it to be an excellent guidebook. It was as if I had a resident of the area at my elbow the whole time. The map was especially helpful. Because it was published over two years ago, a couple of the restaurants listed were no longer in business but otherwise, it was extremely helpful. --Margo McCutcheon (Gabriola Island, BC Canada)

About the Author
Teresa Kendrick is originally from the United States but for the last 7 years has called Mexico home. Her work in the museum world ignited a passion for Latin American art that led her south from Austin, Texas to Ajijic, Jalisco where she now lives.

Users Review

From reader reviews:

Carol Welch:

What do you think about book? It is just for students since they're still students or the item for all people in the world, the particular best subject for that? Simply you can be answered for that question above. Every person has distinct personality and hobby for every single other. Don't to be pushed someone or something that they don't want do that. You must know how great and important the book Mexico's Lake Chapala and Ajijic: The Insiders Guide to the Northshore for International Travelers. All type of book can you see on many methods. You can look for the internet sources or other social media.

Matthew Segal:

In this 21st centuries, people become competitive in each way. By being competitive currently, people have do something to make all of them survives, being in the middle of the particular crowded place and notice through surrounding. One thing that occasionally many people have underestimated that for a while is reading. That's why, by reading a e-book your ability to survive raise then having chance to stand up than other is high. For you personally who want to start reading the book, we give you that Mexico's Lake Chapala and Ajijic: The Insiders Guide to the Northshore for International Travelers book as basic and daily

reading book. Why, because this book is greater than just a book.

Rhonda Kirby:

Reading a reserve can be one of a lot of exercise that everyone in the world enjoys. Do you like reading book and so. There are a lot of reasons why people enjoyed. First reading a book will give you a lot of new facts. When you read a book you will get new information due to the fact book is one of many ways to share the information as well as their idea. Second, studying a book will make anyone more imaginative. When you studying a book especially fiction book the author will bring you to definitely imagine the story how the personas do it anything. Third, it is possible to share your knowledge to other people. When you read this Mexico's Lake Chapala and Ajijic: The Insiders Guide to the Northshore for International Travelers, you could tells your family, friends and also soon about yours book. Your knowledge can inspire the others, make them reading a reserve.

Earl Parker:

This Mexico's Lake Chapala and Ajijic: The Insiders Guide to the Northshore for International Travelers is great book for you because the content and that is full of information for you who have always deal with world and have to make decision every minute. This kind of book reveal it info accurately using great plan word or we can say no rambling sentences inside. So if you are read that hurriedly you can have whole data in it. Doesn't mean it only provides you with straight forward sentences but tricky core information with attractive delivering sentences. Having Mexico's Lake Chapala and Ajijic: The Insiders Guide to the Northshore for International Travelers in your hand like keeping the world in your arm, data in it is not ridiculous a single. We can say that no guide that offer you world with ten or fifteen small right but this publication already do that. So , this is certainly good reading book. Hello Mr. and Mrs. stressful do you still doubt which?
