Song of Blood & Stone (Earthsinger Chronicles Book 1) By L. Penelope
“Penelope delivers an engrossing story with delightful characters in this fantastic opening to a promising series.” —*Publishers Weekly starred review*

"Deft, vivid worldbuilding. Fascinating mythology. Deeply emotional romance." —Kit Rocha, New York Times Bestselling Author

Orphaned and alone, Jasminda is an outcast in her homeland of Elsira, where her magical abilities are feared. When ruthless soldiers seek refuge in her isolated cabin, they bring with them a captive—an injured spy who steals her heart.

Jack’s mission behind enemy lines nearly cost him his life, but he is saved by the healing power of a mysterious young woman. Together they embark on a perilous journey straight into the heart of a centuries-old conflict.

Thrust into a hostile society, Jasminda and Jack must rely on one another even as secrets jeopardize their bond. As an ancient evil gains power, Jasminda races to unlock a mystery that promises salvation.

The fates of two nations hang in the balance as Jasminda and Jack must choose between love and duty to fulfill their destinies and end the war.

**** This multicultural, new adult, fantasy romance takes place in an alternate 1920s timeline with hints of steampunk, dieselpunk and decopunk. Perfect for those who want magic and adventure in their love stories. Recommended for readers 17+.**
