Zombie CSU: The Forensics of the Living Dead By Jonathan Maberry

When there's no more room in hell, the dead will walk the earth. . .

And law enforcement is ready to take them down!

Since *Night of the Living Dead,* zombies have been a frightening fixture on the pop culture landscape, lumbering after hapless humans, slurping up brains and veins and whatever warm, fleshy matter they can clench in their rotting limbs. But what if they were real? What would happen if, tomorrow, corpses across the nation began springing up out of their graves and terrorizing the living?

Employing hard science and solid police work--not to mention jaw-dropping (literally!) humor--*Zombie CSU* is the only guide you need to make it through alive--not undead. At last you can:

• Investigate zombie crime scenes, collecting and analyzing evidence of zombie attacks, and create a "murder book."

• Examine the psychology of the zombie and develop a perp profile.

• Observe medical science pros as they probe felled zombies for forensic clues.

• Devise a zombie apocalypse survival scorecard and more!

Complete with lists of must-see zombie flicks from around the globe and tons of tips for kicking undead butt, *Zombie CSU* features hundreds of interviews with real zombie experts, forensics experts, detectives, filmmakers, and more.

Special guest stars: Tony Todd, Brian Keene, Patricia Tallman, David Wellington, James Gunn, Robert Kirkman, Dr. Wade Davis, Robert Sacchetto, Zombie Squad, Ramsey Campbell, Kim Paffenroth, Jamie Russell, Michael "CJ" Kelly, Bruce "Andy" Bohne, and dozens more!

"Fascinating! An indispensable tool for anyone contemplating tackling a festering corpse onslaught." -- Fearzone.com

"Candid, eye-opening, cutting-edge, startling . . . the existence of zombies may not be so far-fetched after all." --*Rue Morgue*

He lives in Warrington, Pennsylvania , with his wife, Sara, and son, Sam.

Users Review

From reader reviews:

Carol Boissonneault:

Many people spending their time frame by playing outside together with friends, fun activity with family or just watching TV all day every day. You can have new activity to pay your whole day by studying a book. Ugh, think reading a book really can hard because you have to accept the book everywhere? It fine you can have the e-book, taking everywhere you want in your Mobile phone. Like Zombie CSU: The Forensics of the Living Dead which is having the e-book version. So , why not try out this book? Let's notice.

Doyle Swoope:

Do you like reading a publication? Confuse to looking for your favorite book? Or your book seemed to be rare? Why so many question for the book? But any kind of people feel that they enjoy regarding reading. Some people likes looking at, not only science book but in addition novel and Zombie CSU: The Forensics of the Living Dead or perhaps others sources were given knowledge for you. After you know how the good a book, you feel desire to read more and more. Science guide was created for teacher or maybe students especially. Those guides are helping them to increase their knowledge. In other case, beside science publication, any other book likes Zombie CSU: The Forensics of the Living Dead to make your spare time far more colorful. Many types of book like this one.

Maurice Neely:

A lot of guide has printed but it differs from the others. You can get it by net on social media. You can choose the best book for you, science, comic, novel, or whatever by simply searching from it. It is identified as of book Zombie CSU: The Forensics of the Living Dead. You can include your knowledge by it. Without leaving the printed book, it may add your knowledge and make a person happier to read. It is most significant that, you must aware about reserve. It can bring you from one place to other place.

Rayford Alexander:

A number of people said that they feel uninterested when they reading a book. They are directly felt the item when they get a half elements of the book. You can choose the book Zombie CSU: The Forensics of the Living Dead to make your own reading is interesting. Your current skill of reading ability is developing when you such as reading. Try to choose very simple book to make you enjoy to read it and mingle the opinion about book and looking at especially. It is to be initially opinion for you to like to open up a book and study it. Beside that the e-book Zombie CSU: The Forensics of the Living Dead can to be your new friend when you're truly feel alone and confuse with the information must you're doing of that time.
