Editorial Review

Review
"It's a great book. The content is solid and the explanations are clear." —***Language Surfer*** **blog**

"While these particular Tuttle textbooks are suitable for, and typically used in, classroom settings, including in some of the best universities in North America, they can also serve as an excellent out-of-class reference tool and can very well complement formal language classes or other study materials for the self-learner." —***Lingholic*** **blog**

"Lessons in this book cover basic grammar, reinforcing instruction through dialogue and exercises and presenting common scenarios where typical everyday language would be applied. The result is a top pick for any do-it-yourselfer who would learn Tagalog and actually apply it to a visit to the Philippines." —***Midwest Book Review***
