King of Prey: (A Bird Shifter Novel) By Mandy M. Roth

Paranormal Bird Shifter Romance

In a place where realms combine and portals open passages to the unknown, a prophecy speaks of fertility being restored to his people through the taking of King Kabril's mate.

The prophecy neglects to mention she lacks something vital to his kind—wings. Kabril, King of the Buteos Regalis has no interest in taking a human mate. His kind believes humans are dirty, vile creatures who rely on machines to lift them into the air. The last place he wants to go in search of his mate is Earth, but he's left no choice.

Never did he expect to find love on a planet with one moon, people who lack wings and a stubborn vixen who makes his heart soar. When he does, he fears the truth about who and what he truly is will steal it away. Little does he know his enemies fully intend on doing the taking.

Editorial Review

Review
5 Clovers--One of the things I like best about Roth's writing style is her sense of playfulness, and the frequent pokes she takes at her own characters and their situations.
-- Lee M, CK2S Kwips and Kritiques

This spicy romance of a Bird/Man and his mate is told easily. The writing is crisp and the characters are well-drawn. I think it is a keeper.
-- Maggie Anderson, RRT Erotic
4 Hearts--Rayna was the perfect match to Kabril because she is intelligent, witty, independent, and did not shy away from voicing her opinions. She most definitely kept him on his toes, since Kabril is an alpha male who demanded respect without question. King of Prey is an incredible story and I thought that the humor enhanced the fun in reading. ***--The Romance Studio***

From the Author
Q: Are there more books planned in the King of Prey Series?

A: Yes. So far, King of Prey, A View to a Kill, Master of the Hunt and Rise of the King have been released. Prince of Pleasure and Prince of Flight are coming soon.

Q: What about after those? Will there be more?

A: That depends on sales of the series. I certainly hope so because I love writing alpha male bird shifters.

Q: Why did you expand out King of Prey book one?

A: Because of the overwhelming amount of reader email over the years asking for more of a story between Kabril and Rayna.
