Romance: Billionaire Romance: For Richer and For Poorer (BWWM Secret Baby Bad Boy Pregnancy Romance) (Contemporary New Adult Romance Short Stories) By Rachelle North
Frederick Kristofferson – he's one of the heirs to his family's multibillion-dollar fortune. It's not only the size of his bank account that has women lining up to catch his attention; it's his looks, his personality, and his aura. He's the whole package. It's too bad he's in an arranged marriage with an heiress he barely even knows.

Meet Casey Miller – she's the heir to nothing. Through grit and hard work, she's managed to pull her family out of poverty and climb the corporate ladder. At twenty-five years old, she's the only black woman to hold a senior position in one of the country's top real estate developers.

Sparks fly when Frederick and Casey meet in the industry's biggest gala, and there's no denying the attraction between the two. They say love conquers all, but they've only met a handful of times. If only their situation is in black and white, like their skin colors, but they both know it's the complete opposite. With an evil mother, a stuck-up socialite, and an inheritance thrown into the mix, finding love is much more difficult for Frederick and Casey.
