EVERYTHING BARED

Polar opposites--she's kinky, he's uptight--discover they share a taboo desire that may destroy both their futures.

Firefighter Dani Harris has always wanted a family, but doesn't think it's possible because of her demanding, high-stakes career. Her sex life is as high-adrenaline as her job, and that's just one more thing that makes her unsuitable to be a wife and mother. Her secret kink--exhibitionism--has gotten in the way of more than one relationship. Will she ever find a man who not only shares her wild fantasies, but loves her for them?

Burdened with ensuring the success of the struggling family business, William Caldwell IV needs a wife suited for a CEO--one with money and connections, who can manage his busy social life and raise their 2.5 children. He's got everything all mapped out, but when he meets Dani, a woman who's every kind of wrong, she taps into desires he's only half-recognized and long-suppressed. Suddenly his carefully crafted five-year plan feels as confining as a straightjacket.

As Dani and Will's sexual experimentation escalates, they test the limits of polite society by baring all and risking exposure--an exposure that could cost them their reputations and careers.

HANDLE WITH CARE

A firefighter and his submissive wife face potentially life-threatening issues on their journey into the world of BDSM.

Following a long-delayed honeymoon that saved their crumbling marriage, firefighter Dom Jamie Caldwell couldn't be happier with how his wife and

submissive is taking to the lifestyle. But when a scene triggers a bad reaction and Erica doesn't use her safeword, Jamie wonders just how solid their bond truly is.

Erica is over-the-moon with her new relationship with her husband. Just months ago, they'd been on the verge of divorce, but now the future is bright--all thanks to the trust and honesty they've forged through BDSM. Everything they do is new and exciting... until it isn't. And neither one knows how to move forward after Erica's body betrays her.

When a medical condition turns everything they know upside down, can Jamie and Erica find a way to strengthen their fragile connection?
