The Cradle, the Cross, and the Crown: An Introduction to the New Testament By Andreas J. Köstenberger, L. Scott Kellum, Charles L Quarles

Although Scripture cannot be reduced to a mere piece of human writing, there is much to gain by paying careful attention to the historical, literary, and theological dimensions of the biblical text. For this reason, *The Cradle, the Cross, and the Crown* is offered to the serious New Testament student who seeks to better understand and share God's "word of truth" (2 Timothy 2:15). Across nearly one thousand pages, it thoroughly introduces all twenty-seven New Testament books and closely examines Christ's incarnation and virgin birth, the heart of His ministry shown so vividly in the Gospels' Passion Narratives, and the triumphant return of Jesus and our eternal reign with Him as depicted in Revelation.

"Simply an outstanding work. Its up-to-date research alone makes *The Cradle, the Cross, and the Crown* an invaluable resource. Add to this its comprehensive survey of the crucial issues related to New Testament studies, and you have a textbook well suited for the college or seminary classroom."

--Daniel L. Akin, president, Southeastern Baptist Theological Seminary, Wake Forest, NC

"Among the finest such studies of recent decades in classic matters of New Testament introduction. What sets it apart includes: (1) attention to theology and the history of interpretation; (2) extended presentation of the history of New Testament times and the rise of the canon; (3) appropriate rigor; (4) frequently creative layout features; and (5) conceptual clarity. Beyond an impressive digest of scholarship, it is an appeal to faithful appropriation of the New Testament's message."

--Robert W. Yarbrough, professor of New Testament and department chair, Trinity Evangelical Divinity School, Deerfield, IL

"Clear, thorough, up to date, and engaging all the contemporary alternatives people are putting forward . . . discerning and judicious. Well done and highly recommended."

--Darrell L. Bock, research professor of New Testament, Dallas Theological Seminary, Dallas, TX

"*The Cradle, the Cross, and the Crown* sets a new standard for excellence among textbooks dealing with New Testament introduction (and) offers a veritable gold mine of information often found only in several texts. A distinctively unique textbook that displays not only careful and balanced scholarship, but is lucidly written and Òuser friendly."

--Richard D. Patterson, emeritus professor, Liberty University, Lynchburg, VA

Users Review

From reader reviews:

Katrina Varga:

The book The Cradle, the Cross, and the Crown: An Introduction to the New Testament can give more knowledge and also the precise product information about everything you want. Why then must we leave a good thing like a book The Cradle, the Cross, and the Crown: An Introduction to the New Testament? A few of you have a different opinion about reserve. But one aim which book can give many data for us. It is absolutely right. Right now, try to closer using your book. Knowledge or data that you take for that, you can give for each other; you could share all of these. Book The Cradle, the Cross, and the Crown: An Introduction to the New Testament has simple shape however you know: it has great and big function for you. You can search the enormous world by wide open and read a guide. So it is very wonderful.

Betty Abbott:

What do you regarding book? It is not important along with you? Or just adding material when you require something to explain what the one you have problem? How about your spare time? Or are you busy man or woman? If you don't have spare time to perform others business, it is gives you the sense of being bored faster. And you have time? What did you do? Everyone has many questions above. They need to answer that question because just their can do that will. It said that about reserve. Book is familiar in each person. Yes, it is proper. Because start from on pre-school until university need that The Cradle, the Cross, and the Crown: An Introduction to the New Testament to read.

Irving Wile:

Your reading sixth sense will not betray you actually, why because this The Cradle, the Cross, and the Crown: An Introduction to the New Testament reserve written by well-known writer we are excited for well

how to make book that could be understand by anyone who all read the book. Written within good manner for you, leaking every ideas and creating skill only for eliminate your own hunger then you still doubt The Cradle, the Cross, and the Crown: An Introduction to the New Testament as good book not simply by the cover but also with the content. This is one publication that can break don't evaluate book by its include, so do you still needing an additional sixth sense to pick this specific!? Oh come on your reading sixth sense already said so why you have to listening to one more sixth sense.

Brad Sharpe:

Are you kind of active person, only have 10 as well as 15 minute in your moment to upgrading your mind talent or thinking skill also analytical thinking? Then you are experiencing problem with the book compared to can satisfy your short time to read it because this all time you only find publication that need more time to be learn. The Cradle, the Cross, and the Crown: An Introduction to the New Testament can be your answer since it can be read by you actually who have those short time problems.
